# Womens platform W Membership form

**Helping women achieve greater independence**

## Why do so many women settle for so little? In many cases, it is because you have not had the knowledge, the tools or the support to help you to take control of your life - until now.

Women's Platform W (WpW) is a personal and practical service, by women for women. We'll help you to take charge of your life and make informed decisions about your future.

Membership to Womens Platform W is your chance to get the tools and knowledge to take charge of your life and achieve greater independence.

1. Annual Membership to Womens Platform W includes a 50% discount off the price of tickets to all (WpW) monthly seminars.
2. Members who introduce guests to any seminar will receive their seminar tickets free of charge and their guests enjoy the 50% discounted pricing exclusive to members for their first seminar attendance.
3. Membership also provides one free coaching session with all of our coaches during their twelve months membership. You pay nothing for this first session and if you do proceed with further services from a particular coach, then any ongoing professional fees will be at the discounted WpW membership pricing.
